Quick Quotes

Q. All right, joining me after the third round of the Fortinet Founders Cup is Ruixin Liu. Ruixin, 66 today; matched the best round of the day. Can you talk about what was going well for you out there?

RUIXIN LIU: Well, today my swing was just fabulous. I think I only missed one fairway which was still -- where it bounced was not like I struck it bad. And I put a lot of irons closer to the pin to give myself a chance.

Overall very satisfied with my swing today.

Q. A lot of birdies, including one on the final hole, as well as an eagle. Talk about if you think playing this course aggressively helped you or anything that went into those key moments.

RUIXIN LIU: You know, this course the Par-5 has a lot of chances for me to get on the green in two shots, so today just one of those days where I can hit my hybrids is and long irons accurate enough to give myself an eagle chance.

Q. It's still early in the season. Are there any personal goals you set for yourself this year?

RUIXIN LIU: Well, you know, I would like to get a win if any chances this year. Again, it's still early of the season. I'm just going to play and see.

Q. Final round tomorrow. Do you think there will be anything you'll focus on or just keep your head down and do your job?

RUIXIN LIU: Well, I saw the leaderboard. Hyo Joo is like quite ahead of us, so my goal tomorrow is just to go out there and have fun and do my best.
