## Jin Hee Im

### Quick Quotes

**Q. Okay, joining us after the Fortinet Founders Cup is Jin Hee Im. Jin Hee, you're currently sitting in to the Top 5. How does feel to be out here and playing well?**

JIN HEE IM: I think my iron shot getting better. That make more playing easy, but little -- I think that putter is not like what I'm thinking.

I feel hitting well but it's not breaking that what I'm thinking like. But, yeah, I just keep positive and then just playing. (Smiling.)

**Q. Yeah, we're heading into a long stretch of events with Ford and Aramco and JM Eagle and Chevron. Talk about what you're hoping to work on and achieve over the next few events.**

JIN HEE IM: Yeah, I just think about working for like birdie chance putter, like five, six, tap kind of.

And then just trying little more straighter at my driver.

**Q. And then Hyo Joo has obviously had a great week this week. Talk a little bit about your experience with her as a player.**

JIN HEE IM: What can I say? She's just great player. I think, yeah, she's really good putter and she always hit really straighter; can make nice score.
