## BMW Ladies Championship

**Q. A phenomenal effort in this final round. Just how are you feeling after four days here at the BMW Ladies Championship?**

NA RIN AN: So if you look at the four rounds, all my scores are in the 60s. But I think I could have done better. But I have to say I had a lot of fun.

**Q. How much do you think this experience will help you for the upcoming Q Series experience that will be later this winter?**

NA RIN AN: I think this experience has really boosted my confidence. I really feel that I can play well at the Q series.

**Q. And you saw a little bit of the birdie duel been Jin Young Ko and Hee Jeong. What was it like seeing that happen as you were also competing in your own shots?**

NA RIN AN: So of course I was focused on my game, but I did see them obviously because they're in my group, and I think that they're both very strong players.
