BMW Ladies Championship

Q. Solid round today. Evaluate your second round here at Oak Valley.

EUN-HEE JI: Overall I'm pretty happy with the way things went. There were some shots that I missed but I was lucky, I was able to overcome those pretty easily. I think overall I did pretty well today because my putting went really well today.

Q. What were some of your personal highlights? Obviously had some birdies on the card today.

EUN-HEE JI: So I think I was lucky a couple of times. I'm not sure which holes it was but I holed two quite long putts. So that was good, and also there was another hole where my driver shot, I landed in the fairway so I was lucky.

Q. You're back as a winner this season. What's it like being back and playing at Oak Valley that are big supporters of you?

EUN-HEE JI: So it's great to be playing back in I don't remember and I'm also especially proud that this is an LPGA event in Korea, so I'm really trying to to show off to our foreign players, Korea as well. And of course the Korean fans out here, I'm getting a lot of positive vibes.
