# BMW Ladies Championship

**Q. Here with Atthaya Thitikul after a really solid round today. Just evaluate that 67.**

ATTHAYA THITIKUL: Yeah, had a really solid round today. I just know that I hit 17 greens, just by my caddie told me on the last shot. Oh, do you know you missed the green. This is one green that you missed; why didn't you put it on the green. Yeah, I think I made the putts more than yesterday.

**Q. What did you see on those greens today that you maybe didn't see yesterday?**

ATTHAYA THITIKUL: I always see the green is pretty hard on this course because it's pretty slopey and hilly. So you have to have like a really good imagination to see the balls go into the hole pretty well.

Yeah, try to imagine them in my head.

**Q. You have the lead at the moment; what's your mindset? Another Sunday in contention, another Sunday with an opportunity to win. I know you keep things pretty calm, but what are you thinking?**

ATTHAYA THITIKUL: It's always been hard to be in the final group, but aside from that, it means your hard work or your work is paying well, as well. So just keep doing your thing again. Like I said, you can be in contention every week, but you can't win every week, so just do real solid, just do your best out there and enjoy the last 18 holes, then I'm heading back home.
