BMW Ladies Championship

Q. Tell us about your round.

KIM: I tried to focus on my game as I did yesterday, but I made some mistake especially in the back nine. I went from bogeys to birdies and to bogeys, but overall I think I ended on a good note.

Q. You played in the final group in round 2 and round 3. Of course you have experience playing in the final group in Amateur events, was it any different playing in the final group at this event?

KIM: Not really, if there was, I tried not to notice or feel it. There were a lot of spectators, that was different but other than that I tried to stay focused on my game.

Q. Did having a crowd influence your game in any way? Did you feed off their energy?

KIM: I didn't think anybody would recognize me. But a lot of people cheered for me and that helped.

Q. You have put yourself in contention, going into the final round tomorrow what is your mindset?

KIM: I made a lot of birdies, but I wasn't able to lower my score because of little mistakes. So I will focus on minimizing mistakes and focus on my game.

Q. One last question, you mentioned that you made mistakes. Can you elaborate?

KIM: On 12, my ball went in the bunker in all three rounds so far. When the ball went in the bunker today, that when I lost focus. So tomorrow I am going to be more bold and carry it over that bunker.
