#### Q. Evaluation of her week.

ATTHAYA THITIKUL: This week is very good week for me. It gave me a good experience and a good memory because there were many things happening at this course, and I did several things well too. Even though the final result was not that good, but it was okay, and I was satisfied with that.

#### Q. Confidence for the coming events?

ATTHAYA THITIKUL: Actually, I haven't met my coach for a long time, since CP and Canada. I have finished top 10, including this week. It is considered very good. It was beyond my expectations. It's good this coming week to meet my coach, and that probably can make me gain more confidence.
