BMW Ladies Championship

Q. First round here at the BMW Ladies Championship. Take us through the round today. What were some of highlights out there?

EUN-HEE JI: I think overall, I was hitting really well and I didn't make any mental mistakes, and I think that really contributed to my score.

Q. How does it feel to be playing here in Korea, your home, seeing all the fan support here in Korea?

EUN-HEE JI: I think that playing here in Korea, which is obviously my home country, you feed off the energy of the crowd more, and so you tend to play hard.

Q. How does this course bring out some of your strengths, and maybe what are you still trying to navigate out there?

EUN-HEE JI: I can't pick, like, one area of my game which I thought was a strength on the course. I think overall today I was hitting really well and today the weather was really nice.

I heard that it's going to rain tomorrow, and so we need to be prepared for rougher weather. But I think as long as I'm hitting as well as I am today, the weather shouldn't be that much of an issue. I think overall today in all parts of my game, I was doing quite well.
