## BMW Ladies Championship

**Q. Here after your first round here at the BMW Ladies Championship. What went into the day? Take us through the round. What were some of the highlights?**

HYE-JIN CHOI: Overall I'm really satisfied with my play today. I think I was hitting really well, and I made a lot of pars. A little bit of miss the opportunities here and there but overall I'm very satisfied with my game today.

**Q. To finish the way you did in Shanghai last week to having a great round this week, what level is the confidence at, and what is working well in your game?**

HYE-JIN CHOI: So I think in China the first two rounds, my shots were unstable, and there were parts I was a bit confused. But in the final round I gained confidence and that momentum continues today. I think overall, like hitting the greens really well was a strong part of my game, too.

**Q. Take us through the emotions of being able to play back here in home in front of some Korean fans.**

HYE-JIN CHOI: I was playing with Jeong. So we had a lot of fans following us. And I think that just in itself, if you hit it really well, the enthusiasm level really goes up. It's nice to feel that. It's been a while, so it was nice to feel that today.
