### Quick Quotes

**Q. All right, here with Haeran after her third round here at the BMW Ladies Championship. Bogey-free here in the afternoon. What went into the round today?**

HAERAN RYU: So this morning we started off by finishing with the second round, and we played the third round today.

When I was playing the second round, I wasn't hitting as well. So I talked with my coach, and we sort of did something differently in the third round.

And so I think that sort of made a difference, and I didn't make, you know, any errors, and that was how I got a bogey-free round.

**Q. What were some of those things with your coach you worked on or talked about?**

HAERAN RYU: So I told my coach that there was something off with the impact that I was feeling when I was striking the ball. And so we talked about shifting the weight a little. So I was trying to feel the shifting of the weight more in my feet, and I think that helped.

**Q. It's really bunched up at the top of the leaderboard; you obviously in the mix. What's it going to take tomorrow to hopefully get this done in your home country?**

HAERAN RYU: So I missed some putting today, and so I think that was something that I can work on tomorrow. And I think I have to be more confident in the short game. And if you look at the course here, the greens are quite big. So it's really important to nail the second shot and get it close to the pin.

And so that's what I want to try to do tomorrow. I'm going to do my best tomorrow.
