BMW Ladies Championship

Q. Here after your final round here at the BMW Ladies Championship. Take us through the week, getting to play in your home country. What were some of the feelings and highlights out there?

HAERAN RYU: So I had a lot of fun. I think the crowd was bigger than last year, and a lot of people were out there supporting me, so that was good.

I think I could have done better in the last part of the game. But I think that only makes me motivated to do better next year, and I'll do my best in the remaining season.

Q. How do you feel about where your game is right now as we look toward the rest of the season?

HAERAN RYU: I think definitely compared to early this season, my game is at a much better place. So I'm consistently in the top 10, and so I think that is something that I can take away. But I will work on trying to make those opportunities when they present themselves. So I've missed a few opportunities, and I'm going to work on that.
