## BMW Ladies Championship

**Q. Here after your final round here at the BMW Ladies Championship, a great front nine and it looks like another top five finish. What are your thoughts on the week?**

CHANETTEE WANNASAEN: I think this week is perfect. I really like Korea. Korea is my favourite country, and you know, like last year, I played this course not good. But this year, I played really well.

So I think, like -- I think I like Korea, maybe I play good. But today, just some hole I miss a birdie putt, it's really short. But I think the result is good.

**Q. And what will you take away from this week heading into the rest of the fall Asia Swing and as we end the season here in a couple months?**

CHANETTEE WANNASAEN: So I had four weeks in Thailand, so I'll practise and improve my short game. I think I'm ready for the Asia Swing. So last week, I play also not bad and well, and this week I play really well. So I think I'm going to continue to play well until end of the season because I want to be in the top 10 on the CME.
