**Quick Quotes** 

Q. What are your thoughts on playing in Crown at next week? What are you looking forward to most about it, and maybe how are you using this week to prepare?

MIYU YAMASHITA: So I'm going to play in Korea for two weeks, and this is my first time to play in Korea, so I'm so excited to play.

This week, I'm going to target the top 10 or higher rankings, and next week is going to be the team. So it's a little bit different from the normal games but I will do my best to play.
