### Quick Quotes

**Q. Here after the first round of the BMW Ladies Championship, 7-under today. Can you talk about your play?**

CHANETTEE WANNASAEN: Today I played really good because I got a birdie from long putt, like two or three holes. Because I like first, five six hole, don't have much, so I can play very well on the front nine. And then back nine, a little bit windy. So because I put really good today, so I can make a lot of birdie from that.

**Q. And you feel like your putting was the strongest part of your game today?**

CHANETTEE WANNASAEN: Yeah, I have like a couple hole I hit close to the pin and I make it.

**Q. What do you like about this golf course when you're playing it? What you noticed over the past couple days about it?**

CHANETTEE WANNASAEN: So this course is close to the ocean, the sea, and pretty windy. But when we play like today, it's not that windy, just only like back nine. It's really pretty and pretty challenging because the green speed, like every time I hit the bad shot but it's still on the green.

So today I put like that and have a lot of chance to make birdie, make under.

**Q. What do you think you've been working on many your game? How did you prepare for the wind here this week?**

CHANETTEE WANNASAEN: Actually just hit the number what caddie said. Because I have two weeks off before this tournament, so I stayed in Thailand. I see my coach. I just want my confidence back. I play better after Cincinnati. Because I only have like five tournaments left. So I just want to do all five tournaments like good. I just want to like feel better before finish the season.

**Q. And what was it about, you said before, you**

weren't feeling so great. What were you not feeling so great, do you think, about your game? Was there anything specifically?

CHANETTEE WANNASAEN: I feel like, don't think about golf, practice and go eat some Thai food.

**Q. And you're playing next week in the Hanwha LIFEPLUS International Crown. Are you using this week to prepare for next week?**

CHANETTEE WANNASAEN: So far this week is a warm up for next week because I'm in Korea, right. And it's my first time to play in the Crown, and first time play with Thai player as a team. Really excited about that. Looking forward to next week. This week a warmup.
