### Quick Quotes

**Q. Here with Celine after the second round of the BMW Ladies Championship. 7-under today. Can you just talk on how you played?**

CELINE BOUTIER: Yeah, played pretty steady all round. I feel like the wind kind of almost died down throughout the round, which was very unexpected. But yeah, just gave myself a few chances and rolled a few putts. Overall, pretty happy with my round.

**Q. That was going to be my main question about the wind. When you started today, it was pretty strong; right?**

CELINE BOUTIER: Yeah.

**Q. How did you just adjust? I heard a lot of players are practicing low shots heading into this week.**

CELINE BOUTIER: Yeah, I didn't really know what to expect with the weather because it was really calm the first couple days that we got here. But definitely this morning in my warmup, very surprised. I don't know if it was even forecasted to be that windy. But yeah, I thought the back nine going to be more windy because it's more exposed. I was trying to take advantage of the front. When we got to the back it almost died down a little bit. So it was a little bit better than I expected.

But yeah, it's definitely playing kind of challenging with the wind sometimes going in different directions.

So yeah, very happy with my club selections.

**Q. So you think that back nine is definitely more exposed, so come Sunday if there's a lot of wind, it could be really tough coming down the stretch?**

CELINE BOUTIER: Definitely. I think we expect it to be quite windy on Sunday. So definitely there's a lot of interesting holes towards the back, a lot of chances, but also a lot of difficult holes if it gets windy. So I feel like it's definitely going to be a tournament to be interesting at the end.

**Q. You birdied four of the last six. Can you talk about that back last stretch there?**

CELINE BOUTIER: Definitely some tough holes, too. I didn't really plan to be aggressive or go for birdies but I definitely gave myself some good looks and was able to hole a few putts also within range. So I feel like I was pretty happy with that.

Yeah, just gave myself good chances.

**Q. What are the challenges of the last couple holes that you feel like?**

CELINE BOUTIER: I think it's just very exposed and some of the holes are quite long. I mean, especially it depends a lot on the wind. But yeah, I had a few, like, between 8- and 6-iron, and if you add in the wind, I feel like when you miss, there's also a lot of bad things that can happen.

If you may good, you have chances but with the wind it's not easy to control the direction when it's that exposed. So I feel like that's the main challenge.

**Q. A lot of the greens they can tuck the pins away. Do you feel like that would be challenging, too, with the wind come the weekend?**

CELINE BOUTIER: Yeah, I feel like you definitely have to miss on the right side. A few times I kind of missed on the side that I had some chips that were more into the wind. So that helped me out a little bit, too. But yeah, I can imagine if you're on the other side, it might be more difficult.
