Quick Quotes

Q. Finishing up at the BMW Ladies Championship, just an awesome round today, especially in the beginning there. Can you talk to today's round?

NANNA KOERSTZ MADSEN: Yeah, it was a good round. I made a lot of putts out there, which was really nice. I gave myself a lot of 10-, 15-footers and made a lot of them and that was nice. Would have liked a little more on the back nine but still happy to have a bogey-free round.

Q. What is it about today? You moved up the leaderboard a ton.

NANNA KOERSTZ MADSEN: The first couple days, I thought the greens were breaking a lot more than they actually were. I think I was just more comfortable over the putts, and my swing has been a little better, improving over the week.

Q. What in your swing have you been working on?

NANNA KOERSTZ MADSEN: Getting my right shoulder down so it doesn't get too active.

Q. Like through the ball?

NANNA KOERSTZ MADSEN: Through the ball.

Q. So what kind of shape are you working for?

NANNA KOERSTZ MADSEN: Just straight, something that doesn't go left and left.

Q. What are your plans for the next couple weeks?

NANNA KOERSTZ MADSEN: I'm playing may bank. I'm going back to Denmark for just a couple days. A long flight but it will be nice to go home.

Q. What are you looking forward to at home?

NANNA KOERSTZ MADSEN: It's my birthday next week, so going to have a little bit of celebration and stuff. I'm definitely not looking forward to the weather. But

Malaysia will be hot, too. No, it will be good to see everyone.

Q. And it looks like you're going to finish in the top 10. What does that do for you, especially toward the end of the season here?

NANNA KOERSTZ MADSEN: That would be nice. I thought it was just outside of top 10 but it's always nice to have a top 10, too. When you're not really playing for the win and you're just trying to get into the top 10, because that's always just a good week. Fingers crossed that I'll stay there.
