BMW Ladies Championship

Q. Here with Lindy, just wrapped up the BMW Ladies Championship. Just what's your take on this week from your perspective?

LINDY DUNCAN: The first and fourth rounds were incredible, bogey-free both rounds. I played super good. It was a great week. I had so much fun with Paul. He's amazing. He brought so many good vibes, and I learned a lot from him.

Q. Just takeaways that you're going to carry on, you've had two great weeks these past two weeks?

LINDY DUNCAN: Yeah, my ball-striking has been pretty awesome. It's been staying pretty consistent. My ball flight has been sort of predictable and when it was really windy, I learned there's a particular wind that really kind of bugs me. So I need to work on that a little bit.

But overall, it was really fun.

Q. And any notes between you and Sean going forward or anything you're texting about?

LINDY DUNCAN: Not at the moment. I'm sure we'll have a lot to talk about during the off-season.

Q. What are your plans for the next week and the rest of of the season? What are you looking for?

LINDY DUNCAN: Yeah, I'm taking a week off next week. I'm just going to take a vacation in Tokyo and then play again in Malaysia, and really excited for the last two events in Florida.
