Quick Quotes

Q. How would you just summarize this week, looking like a good finish.

CELINE BOUTIER: Yeah, pretty happy with the result. I feel like I didn't really know what to expect coming into the week but very happy to have contended a little bit and give myself a few chances out there, even when it was really windy. So pretty happy with my level of play throughout the tournament.

Q. How would you say the course played compared to the past couple days?

CELINE BOUTIER: It was very different. I feel like I was expecting a lot more wind at the beginning but it definitely turned up at the end and it was quite challenging the last few holes. But yeah, it was kind of calm in the first few holes and then started picking up throughout the round. It was definitely also the same wind direction from yesterday. So not too different. But yeah, it was definitely a bit of a challenge the last few holes.

Q. Were you looking at the leaderboard at all or was today just go out and do the best you could?

CELINE BOUTIER: I couldn't really pay too much attention. I know Sei Young was far up there, so I was trying to be the most consistent as possible and try to give myself as many chances to try to finish on a low score and see what happens. But obviously she's been killing it. So it's going to be tough.

Q. What's it been like to see the fans out here? We have similar fans like at Evian for you. What's it like to see some of these fans?

CELINE BOUTIER: I think it's definitely more fun to have these fan clubs and cheering on. I know every time I play with a Korean girl it's going to be a little bit of a different experience because they have such personalities and stuff. So I think it's kind of fun. They are definitely very passionate and very supportive of their players, so it's good to see.

Q. What stands out about this golf course? What do

BMW Ladies Championship

you think stand out most?

CELINE BOUTIER: I think it's definitely the views, it's one of the prettiest courses I've played. Definitely very memorable and then especially with the windy conditions and stuff like that, it can play so different. I think it's a good challenge.

It's fun because you get a lot of birdie chances but you also have to be very kind of cautious and really steady on some holes, so I think it's a good balance.

Obviously the scores are pretty low. So you also can have a chance until the end. So it's always a little bit exciting, also, for the fans to see a lot of birdies.

Q. What do you take away from your game from this week?

CELINE BOUTIER: Definitely some positives. I definitely feel like I could have improved a few shots here and there, especially off the tee. But considering my form, I feel like I'm pretty satisfied with the result.

Q. And lastly, too, what's next for you? What are you doing next week?

CELINE BOUTIER: Just a week off. Going to rest with my parents that are here, and then start to be ready for Malaysia.
