Quick Quotes

Q. Another solid round for Hy-Jin Choi. What was working so well for you on the Falls course today?

HYE-JIN CHOI: A little bit hard time in first nine holes, but I'm having great memories for the last first hole, so I can keep concentrate the whole days.

Q. It's kind of a hard golf course. I know a lot of international players don't have a lot of experience with this type of golf course. How comfortable do you feel? Obviously pretty comfortable. But how comfortable do you feel?

HYE-JIN CHOI: I thought about Falls course is longest course, so it's a little bit hard time, but I kept -- I'm trying to getting on short distance for every hole, so I'm getting a good game today.

Q. So you've got five rounds of golf left. It's a lot of golf. But you are three rounds through. How good does it feel to have three rounds under your belt and to have played this well so far?

HYE-JIN CHOI: Yeah, so I'm having a lot of holes, so a lot of days competition, so I'm prepared for the last other days.

And then I have -- if I have a chance for birdie, I get a birdie if I can. And I practice a lot and I prepare a lot for this competition.

Q. And then just your mindset heading into tomorrow? Super easy.

HYE-JIN CHOI: I didn't think about the Crossing course is not easy, but if I lose green or I'm unstable shots, (indiscernible) it's very hard day. But I'm prepared today a lot.

And then doing better next day.
