### Quick Quotes

**Q. To start, can you just tell me what it means to you to be on the bag for Alisa this week?**

LINDSEY McCURDY: I was super excited to caddie for her. I think it's going to be a lot of fun and just being able to help a friend this week will be super exciting.

**Q. Then have you guys ever teamed up in a duo like this or is this the first time?**

LINDSEY McCURDY: That's a good question. She might need to remind me because then I can talk about it. Alisa, ever either of us caddied for each other? Have we done anything like a team event or anything, or like any...

ALISA RODRIGUEZ: No, just for fun at home.

LINDSEY McCURDY: Yeah, okay. Nothing in competition.

ALISA RODRIGUEZ: Maybe like skins, like when we played against (indiscernible) and took all his money.

LINDSEY McCURDY: Yeah, at home we're always doing fun competitions and stuff. I knew it would be a fun pairing.

**Q. Awesome. And then if you guys get to go to Q-Series do you think it will continue for that, or just a one-time event?**

LINDSEY McCURDY: Well, it's up to the player, but, yeah, I mean, either way it would be really fun.

**Q. And then how do you think you're going to be able to help her from being a player and, you know, playing the game and knowing the game? How do you think that's going to be able to help her this week?**

LINDSEY McCURDY: I mean, I've played here a lot, so I felt good about just the course preparation. But just with her, you know, being a player myself like I feel like I kind of know what a player would want.

Honestly, I feel like it's probably more so just going to be like keeping it light, making sure she's not getting in her own head or anything like that. Nothing too crazy.

Yeah, just keeping it kind of like relaxed I think is the most important thing this week.
