## Pauline Del Rosario

### Quick Quotes

**Q. All right, Pauline, so 4-under round. Just talk about what's the biggest difference for you as far as a regular tournament compared to a qualifying school tournament? Or do you to keep it the same?**

PAULINE DEL ROSARIO: Yeah, us players try to keep it the same. I think we try to leave it all out there. You know, we try to make all those putts, give it a good chance, and set us up for better opportunities based on our putting and approach game.

**Q. Talk about your round today. 4-under. Talk about the course setup and how does this fit your eye?**

PAULINE DEL ROSARIO: I wouldn't say that it fits my eye. I would love to have to fit my eye, but after my double bogey on my third hole I just thought to myself to just keep it simple after that.

It ended up being real simple, so I made all my putts, all my birdie opportunities. I actually didn't miss one. I'm pretty happy with that.

And I think I just want to bring that to tomorrow and see how it goes from there.

**Q. And then you said you made a double bogey early. How do you block that out and get going with your round?**

PAULINE DEL ROSARIO: I just focused on what me and my coach were working on in my swing. I just tried to keep my mind busy on that rather than thinking of the bad shots that could happen. I just thought to do our routine and process to keep it going.
