Quick Quotes

Q. All right, Amy, so 3-under round. (Indiscernible) that top 40 number for now. Talk about your experience so far here at Stage II.

AMY LEE: Yeah, I feel like the last time I came here was 2018 to get my card to go into Epson my rookie year, and I haven't been back here in a while. To see the improvements in my game have been pretty cool.

I've been hitting the ball really, really well the last three days. Putts just weren't falling the last couple days, but today they were falling, so I put together a lot better round.

Q. Talk about the conditions this week. It's been kind of up and down. Steady wind, blowing a little harder. How do you manage all that out there?

AMY LEE: I mean, I think the practice rounds gave us a pretty good idea with how windy it was going to be, because I think it was windier in the practice rounds than they were during the rounds.

First round was pretty windy and I played in the afternoon, so that was a little tougher, especially being on the Bobcat. I think it's been a little bit calmer than the practice rounds so been a little easier to manage in the tournament rounds.

Q. What's one thing in your game that's helped you put together some good rounds this week?

AMY LEE: Driver.

Q. Driver has been working?

AMY LEE: Yeah. Yeah, I mean, the fairways are tighter out here, and with me being a longer hitter, hitting the fairways is -- you'll give yourself a lot of good opportunities because the greens are relatively flat, they kind of just run just one way. I think, yeah, driver for sure.
