Q. So bogey-free. Third round. Talk about with your day today. How are things going after the day off yesterday?

HYO JOON JANG: You've actually I had a day off yesterday so my body was feeling more charged. I could just started just easy and just happy and I was happy playing with Pauline and that actually help a lot. Just going easy on myself.

Q. And then one birdie on the front and three on the back. Did you find something on the back or were putts just falling for you on the back?

HYO JOON JANG: Putt was falling, and the front nine I did not have a good putt, but the back nine I had some patience feelings and I think that really helped.

Q. What's the mindset heading into the next three days? We are at the halfway point. Just stick to what you're doing? Be more aggressive? New mindset, or just the same?

HYO JOON JANG: Stick to what I'm doing. New day and new opportunity, and more doing my routine, just taking care of eating and sleeping well. That's what I've been doing.

Q. What's the goal at the end the week now? Is it top 20?

HYO JOON JANG: Top 20 is probably the thing what I've been thinking, but it'll be nice to be in like top 10, yeah.
