Quick Quotes

Q. Here after the third round of the Q-Series. You shot 8-under today. What was working so well for you out there?

DIKSHA DAGAR: When yesterday round three was postponed to today, because I got time to recover well because I came from Spain. It was a very long flight, so it was so tiring. I had a one-day holiday. I got rested well.

Then today I done so very good and I had a bogey-free round and my putts started rolling well into the hole. It's all credit to my caddie as well. He read very well the line.

Q. And you mentioned your putting. Was there anything with your drives or greens hit as well that was just really great today?

DIKSHA DAGAR: Yes, today the golf course was wet. I mean, there was water everywhere. Today it was all right. The ball was plugging and then driving. Today weather was better and distant was going all right.

Q. You moved up the leaderboard with your 8-under round today. How proud are you of that? Was that something you were hoping to do today?

DIKSHA DAGAR: It is something I felt a little bit pressure because this level is something different. Look at the score, (indiscernible) 3-under, so you have to play every hole is important, every shots count.

Q. And you mentioned, too, everyone in your group was bogey-free. Were there good vibes out there today with your group? Did everyone have fun it seemed like?

DIKSHA DAGAR: Yeah, that was wonderful in my group. All of us played under-par round so it was very fun and exciting that we are making the birdie putt on every hole. It is something kind of motivation also.
