### Quick Quotes

**Q. Take us through the first round, kind of the progress and the emotions of the whole week.**

ALBANE VALENZUELA: Yeah, I felt my game was pretty good coming into this week, especially my iron play and my pace on putts. I felt it was better than usual. The first day was a little rocky. I had a lot of missed drives. I had a ball in the water, an unplayable, so a lot of mistakes out there, but I managed to pull out five birdies.

The second and third round were really solid, a lot of birdies out there. Still a few mistakes, but that's just what a major course does to you.

But overall very happy with how I held today. The course was definitely playing tougher in the cold and windy conditions, so just proud of myself for hanging in there.

**Q. What are the things you enjoyed the most here this week?**

ALBANE VALENZUELA: Everyone loves a major. The course was fabulous, and I think Chevron really stepped up to put on a great event for us. The purse is elevated, the course is fantastic, and I think all the girls can agree that the more you play, the more it feels like a major. Really excited it's now in Texas, and yeah, it was a great week.

**Q. We've been talking about the family support this week in other languages but not in English yet, so can you tell us a little bit about it?**

ALBANE VALENZUELA: Yeah, I mean, it's been great having my parents here and my brother, as well. I think the result speaks for itself. I was just very comfortable out there, and I would look outside the ropes and see my brother, my mom, and my dad was on bag with me, so we kept it all very relaxed, and I think that's how I managed to perform.
