## Lilia Vu

### Quick Quotes

**Q. I want to ask you about that putt to win. Take me through it, the biggest putt of your life.**

LILIA VU: I can't even put into words what I was feeling. I was nervous, I was scared, I was cold. I just wanted to hit the putt and just be done with it. I just saw my line and speed and I knew it was going to be fast, and I just trusted myself.

**Q. Just a year ago you considered quitting the game. Describe the journey to this moment.**

LILIA VU: Everything happens for a reason. All the bad things, everything I've ever struggled through, family-wise, internally, I think myself as the biggest obstacle, I had a pretty tough, not easy past two days. I was definitely my own enemy, and I don't know how I pulled this out. I'm just really happy and proud of Cole and I for doing this.
