Quick Quotes

Q. Welcome Minami Katsu, first off of the course. How did you find the course today as you were teeing it up here at the Chevron Championship?

MINAMI KATSU: I had a solid round today. A little disappointed on the last hole. I hit the water with my tee shot. But other than that, I had a really good round.

Q. What were some of the challenges out there on the course today for you?

MINAMI KATSU: I think the winds were picking up from the early start, so I think the club judgment was something challenging today.

Q. Are you surprised to see some low scores out there? It seems like it's playing a little tough for everybody.

MINAMI KATSU: Yeah, my playing partner Lauren, she's striking it great, had a lot of birdies. I was trying to stick with her, and I felt like the group today, we had really good momentum.
