Quick Quotes

Q. Joining us after the first round of the The Chevron Championship is Nastasia Nadaud. Great 3-under round today. Can you talk about what was going well for you out there?

NASTASIA NADAUD: Yeah, it's been pretty good day out there. Bogey-free round on a major course is always pleasant. Hit the ball great. Hit pretty good number of fairways, good number of greens, had a few up and downs, and putter was pretty good shape today.

Yeah, pretty solid overall.

Q. You've had a really strong start to your rookie season out here. How is it adjusting to the LPGA?

NASTASIA NADAUD: It's been pretty good. Obviously LPGA was nice to me since I got here. Yeah, got to meet new players, new environment, new courses. Yeah, this experience is for sure helping me out there.

Q. A new venue for this championship this year. Can you just give some first impressions about the course and what you think is going to be the key to success out here?

NASTASIA NADAUD: Yeah, it's been pretty cool course I think. With all the rain that poured the past few days it's pretty good condition I got to say. Here you need to be very careful with your shots into the greens. Yeah, around the greens is pretty tough, so you need to know where to miss and where not to miss, which we tried to do our best here this week, today. So, yeah, just being careful with where you miss on there.
