Quick Quotes

Q. Joining us after the second round of The Chevron Championship is Ina Yoon. Ina, two sub-70 rounds. What is going well for you on the golf course?

INA YOON: Like since last week I try to focus on my process over like result coming out.

I think that helps me just focus on the present and like just be calm, and I feel like I'm a better golfer now, yeah.

Q. Knowing there is a big lead at the top, do you feel like you're going to be more aggressive this weekend or do you think you're going stick with what you've been doing?

INA YOON: Yeah, of course I'm going to stick in what I'm doing now, because it's nothing change, and major, especially major tournament the conditions are tougher than normally, normal tournaments. So just try what I'm doing now and just be calm and have composure every shot and every putt. That's the goal.

Q. Do you think there is a specific thing with your game that's going especially well?

INA YOON: I just try to have like clear target and committed to the shot. That's all. Like just focus on the rhythm and just where I need to hit. If it's going well or like make the putt is not really matter for me now, yeah.
