**Q. Joining us after the second round of The Chevron Championship is Patty Tavatanakit. Patty, you were the only player in the field to be bogey-free. What do you think you're doing particularly well or how are you minimizing mistakes?**

PATTY TAVATANAKIT: I feel like it was a grind the last two days, but at the same time, I usually miss in the -- in an okay spot, so the up and downs aren't -- I mean, they're still really difficult, but at the same time I was able to execute them really, really well.

There was one lucky one that I got; made a really long putt on the par-3, 15 today.

Yeah, that was about it.

I feel like major is one of those weeks where you just got to finesse your way around because it's really hard and you're always trying to figure out something, whether it's the wind, the course condition. It's playing really long so overall I'm really happy with where I'm at.

**Q. You'll be playing in the afternoon again tomorrow. It felt like the wind picked up quite a bit this afternoon. What specifically are you going to be looking at, certain holes, certain shots to manage the conditions that we are having out here?**

PATTY TAVATANAKIT: I think I'll figure out when I get there tomorrow. I literally -- the only thing I'm thinking like ahead right now is what I'm getting for my dinner.

**Q. One more question. Just looking ahead to the next two rounds, you're going to be chasing. Is this a position you're comfortable in, and what is your game plan?**

PATTY TAVATANAKIT: Chasing, leading, whatever, I feel like I'm just glad I have this opportunity to be in the mix.

I don't know. I don't know if this is good or bad. Like I just want to go out there the next two days and just do my best
