TV Quick Quotes

Q. Here with Nelly Korda. Nelly, that was just a dominating, incredible performance. When you look at what you've done in your career, where does this achievement and the way you played this week rank?

NELLY KORDA: That was a hard weekend. Honestly having that big of a lead, it's not easy. It was definitely one of the hardest things I've had to do mentally.

But I have an amazing support system, amazing family right behind me, amazing caddie that's on the bag, and just happy to get it done.

Q. Started with the five-shot lead. As you say, not always easy to be that far ahead. What were you telling yourself and how were you able to continue the good form today?

NELLY KORDA: Honestly what I was telling myself was I really want to hoist this trophy because I want to show the kids at home that it's okay to miss short putts and still win a major championship.

You know, you're going to do it. You're going to make mistakes. You have to mentally still be in it 100%, and that's really what I wanted show. I wanted to show it to myself and I wanted to show it everyone looking up to me.

Q. Well, there were hardly any mistakes this week. You fully deserve this title, and that's a great message. Nelly, thank you very much. Go sign your scorecard and make it official.

NELLY KORDA: Thank you, Tom.
