**Q. Nelly, great round of golf today. Put yourself in a great position for tomorrow. How much of a relief was it to get at that win in Spain, to come back out here all fresh?**

NELLY KORDA: Yeah, definitely. It felt really nice to get at that win in Spain. Reassured myself that I can still win and shoot some good scores.

So definitely good momentum coming into this week.

**Q. What kind of things will you take into tomorrow in terms of course management and attacking the par-5s, which you played great today?**

NELLY KORDA: Yeah, I think just being aggressive out here. Greens are quite soft so I think you can be pretty aggressive with your approach shots into the greens. Make sure you make the putts. At the end of the day, you're not going to move up the leaderboard unless you make the putts.

So I'm going to go to the range, try and get my swing in order, because I was kind of hitting it all over the place on the front nine.

But hopefully I can get a one good one going tomorrow.

**Q. I enjoyed watching you this afternoon. Your all over the place it's not like everybody else's all over the place. Good luck tomorrow. Thanks for your time.**

NELLY KORDA: Thank you, bye.
