Q. Paula, congratulations. Your ninth season on the LPGA Tour, 157th start. You are a winner on the LPGA Tour. Describe the emotions you're feeling right now.

PAULA RETO: Well, I was so nervous. Oh, my gosh, coming to the last hole I was like, calm your nerves. I kind of needed a 3-wood, and that rough shot over there kind of saved me. I was just committing and trying to keep it real simple.

I'm really so excited. I know I'm going to celebrate and everything will kick in, but I'm really happy and it's been such a long time. I was like, I hope one day I'll win. But it came true, so...

Q. You were a winner on the LPGA Tour. Congratulations.

PAULA RETO: Thank you so much.
