Quick Quotes

Q. What are your thoughts on the day?

It was overall a satisfying day for me. My putting especially came on and the shots followed too. Of course there were times when a carding a bogey was a possibility, but I'm very satisfied to finish the round without a bogey.

Q. You mentioned pre-tournament that you felt your shots were coming along, how do you feel about your shots today?

Compared to last week, I think my shots are much better and because of that I can hit more confidently. Thanks to that, I got a lot of birdies today and finished without a bogey. I want to focus on that in the rest of the rounds and finish with as few bogeys as possible.

Q. How are you preparing for tomorrow?

I teed up in the afternoon today, so I'll start in the morning tomorrow. Since it's an early start tomorrow, I'll go ahead and get some rest today. I'll have some time in the afternoon tomorrow, so I want to give it my all in the morning.
