### Quick Quotes

**Q. Here with Yealimi Noh after her second round here at the Kroger Queen City Championship presented by P&G. 9-under overall. Very happy with that I'm sure. Take me through the day today.**

YEALIMI NOH: Yeah, I hit it really well. I was hitting my tee balls nice and straight in the fairways.

Hit a lot of greens and took advantage of the par-5s a little bit more than yesterday. Just had a really solid day.

**Q. What are you making of TPC River's Bend? What do you like about the course?**

YEALIMI NOH: Yeah, it's great. It's really firming up, especially over the past few days. The greens are nice and fast and the course is great. There is a lot of holes that are a bit similar to each other, like front nine and back nine.

If you just stay in the fair ways, you can set yourself up for some good opportunities.

**Q. I know I've spoken with you a couple times in the past few weeks. What is maybe feeling good about your game right now?**

YEALIMI NOH: Definitely putting it a lot better, just making birdies and less bogeys. I've been working on some swing changes, swing things over the last few weeks, so that's been paying off. Hitting it a lot better.

**Q. As you're near the top of the leaderboard heading into moving day, what are some goals for Saturday?**

YEALIMI NOH: Just keeping the same tempo and rhythm throughout the round like I have been the last two days. Just keeping it simple and hitting fairways and greens and hopefully making a lot of the putts.

**Q. As we get into Saturday, what do you expect to see from the course, maybe change about the course? Will it get longer? Firmer?**

YEALIMI NOH: I think it's going to get firmer. We have a few hot days ahead of us, including today, so I think we'll see it firm up a bit.

The course was playing long, but a few tees were bumped up, so that was nice. And the ball going another further, I've been having a lot of the wedges into the holes.

**Q. Does that suit you do you think?**

YEALIMI NOH: Yeah, for sure. It's always nice when you have short irons in and reachable par-5s is always helpful.
