## Haeran Ryu

### Quick Quotes

**Q. All right, here with Haeran Ryu after her third round at the Kroger Queen City Championship. I know you had sort of an up and down day. How do you battle throughout the day to sort of come back?**

HAERAN RYU: Today the start is terrible. Two bogeys in a row, so...

But I just think about it, after the holes I have two or three easy holes for the birdies, so I just mindset, okay, I did it for birdie for that hole.

And then, yeah, pretty fine after that I think, yeah.

**Q. What is it about this course that you maybe like or that has been working for you this week?**

HAERAN RYU: I think this course is so far, so long. Every day longer than yesterday. Yeah, today my shot is a little bit bad for another days, so up and down score.

But I finish 4-under par so that's for thanks.

**Q. Last question: In your last start you won. You came from behind then, too. How much confidence does that give you going into tomorrow, knowing you're just a few shots back and that's how you won last time?**

HAERAN RYU: Yeah, I think almost similar than last tournament TPC Boston, because the final day I'm started behind four strokes and not in last group.

Yeah, many things same as before tournament. But I just think about it. Tomorrow is just for the birdies. That's for the goal. This course is so tough. I think tomorrow is too.

Yeah, I just try to keep going birdies.

**Q. Do you feel less pressure being a couple strokes**

**behind?**

HAERAN RYU: Yeah, because it's so same -- so similar, right?

**Q. Yeah.**

HAERAN RYU: Yeah, I just thinking to the last week.
