## Nelly Korda

### Quick Quotes

**Q. All right, here with Nelly Korda after the second round of the Kroger Queen City Championship presented by P&G. 4-under 68. Just walk through your round a little bit today.**

NELLY KORDA: Yeah, bit of good, bit of bad. Overall a little bit more good than bad. It's good to finish off on a birdie.

Yeah, have to minimize those mistakes going into the weekend hopefully.

**Q. And then eight birdies today; eight birdies yesterday. Leading the field in birdies.**

NELLY KORDA: Yeah.

**Q. What's the I guess key to making birdies out here?**

NELLY KORDA: I guess you just have to really stay aggressive. The greens are pretty soft so you can, but hitting fairways, hitting greens is the key to eventually having a putt in.

**Q. And then talk about the fairways a little bit. Players coming in have been saying the tees are generous off the tee. So does it just free you up off the tee knowing you have a little bit of extra room?**

NELLY KORDA: Yeah, for sure. The rough is tricky though, here, too. When you were in it it's very inconsistent. I've had a couple fliers and I've had ones that type of you have kind of come out dead as well.

I think having a little bit larger fairways it depends on how far hit it honestly. I would say if you're a longer hitter you're taking on sometimes a bit more risk where it gets more narrow.

Overall, I mean, it's a great golf course and it suits people

that are playing aggressive golf.

**Q. And then early birdies at 3, 4, 6, and 7. What clicked during that stretch?**

NELLY KORDA: Putts dropped honestly. Yeah, they were dropping. I had some good shots in where I gave myself a good opportunity.

**Q. How would you compare your game today to yesterday?**

NELLY KORDA: Pretty similar. A lot of just like -- a little bit of like periods where I'm like it's really good and then kind of made some silly mistakes.

But overall, you know, hopefully I'm trending in the right direction.

**Q. What will you work on heading into the weekend?**

NELLY KORDA: I'll just do my basics of when you play then you get a little bit off, so going back to like the fundamentals of golf: putting a mat down, seeing the line, and then maybe some range work as well. I think I was maybe losing a couple to the right on the last couple holes, so making sure my aim is correct. Literally the fundamentals of golf, but we all struggle with them.
