**Q. I have told Charley to behave herself, but I can't guarantee it. Charley, whenever I'm trying to find you on a golf course it's usually with a big crowd. Why do you think you're so popular?**

CHARLEY HULL: I don't know really. I haven't got a clue really. I just like playing golf and I have fun out there, and seeing me smiling probably.

**Q. You suffered a little bit of an ankle ligament injury recently. How are you now? Are you feeling pretty healthy?**

CHARLEY HULL: Yeah, I actually like tore it. Like when I fell down I heard a pop and I thought I broke my ankle. And then got an MRI and I told the surgeon, and he was like, yeah, you heard it completely snap. I was like, oh, that's kind of freaky.

It's actually hurting a little bit today because it's my second week on the trot, but I'm getting there.

**Q. Good. Nobody loves golf more than you. Finished second last week in Houston, so obviously playing well. You're playing fantastic over the last few days. How excited are you to be in contention over the weekend?**

CHARLEY HULL: Yeah, I love it. I just love being on the golf course. I just enjoy playing golf will. It's not a chore to me. It's not work. It's just out there loving life, and I can't wait to make so the birdies over the weekend.
