Quick Quotes

Q. Here with Mary after her third round at the Kroger Queen City Championship presented by P&G. 4-under round. Just kind of just about your day today.

MARY LIU: Today I think just play my game and each shot just focus on what I want to do and then talk a lot to my caddie and then play easier than last couple week. Just keep doing my coach told me, and then nothing too special.

Just stay hydrated. Keep the energy level up and then always positive, and I think anything is possible. Then, yeah, really happy with it.

Q. You mentioned working on some things that your coach told you. What were those things that your coach mentioned?

MARY LIU: It's my driver, also putting, so I wasn't play good with my driver last couple weeks. So have more clear mind with everything. If a shot happen, what do I do for next shot to get back or just my normal shot, not try too hard.

Also with putting just there is lots of experience from last three weeks that my putting is terrible, so definitely learn from that.

Also coach told me that just play your game, enjoy the course, and, yeah, anything is possible.

Q. You said putting was terrible but today 24 putts and 11 on the back nine. What do you think was a big contributor to that?

MARY LIU: Actually I think yesterday is 24 putt also, so I'm really, really happy that I'm putting so good this week.

So anyway, I will do a lot of daily note and then keep that in my mind and then do it in the future.

Q. A really strong stretch right around the turn, making birdie on nine and then an eagle on 11 and birdie on 12. Did something click in that stretch there?

MARY LIU: Well, a little bit, because like hole 10 I hit driver and it went all the way to the rough. Then like so wide fairway. I can't believe my ball went to that right.

And then so come from that I goes like, okay, I need to do my best; just play it. Then hit really good 3-wood. I goes, that's it; that's the shot I want.

Then I can't believe everyone is clapping and almost like albatross. Oh, I never have an albatross before, so really exciting.

And then tap-in eagle, good energy, and think positive and keep moving, and then that's it.

Q. Going to be in contention heading into tomorrow. Currently only two shots back. How excited are you just to tee it up with a possibility to win?

MARY LIU: I don't know. I have no experience. I better ask coach. Hey coach, what should I do tomorrow and then probably ask Miranda what's her experience last event.
