Q. Great playing Charley, first of all. I don't really feel there is any weakness in your game. I've always said that every part of your game is very, very strong. What do you think is working so well for you this week to be at the top of the leaderboard going into tomorrow?

CHARLEY HULL: I don't know. I just feel pretty chill going into the week. I've put some good work in while I was home, or the work I could do, and I just feel relaxed.

Q. You've always been an aggressive player. I think is going to be a bit of a silly question. You're the one that said, Shy kids don't get sweets. Is that the mindset going into tomorrow?

CHARLEY HULL: Yeah, 100%. Just play like I did the last few days and just go out there and have some fun.
