Quick Quotes

Q. All right, here with Jeeno Thitikul after her third round here at the Kroger Queen City Championship presented by P&G. Another pretty solid round from you today. What worked for you?

JEENO THITIKUL: Yeah, I think I can, you know, like be able to make a birdie almost all the par-5s that I have and then easy hole that makable.

So I just held on the games that had, you know, birdies, because I know like today I think I do have a lot of chance to make a birdie, but my putter didn't come up today.

Q. Was there anything in particular that was wrong with the putter today?

JEENO THITIKUL: No. Me. (Smiling.)

I just think just the line and the speed wasn't that match, and then if I be able to, you know, make it kind of sync together should be good.

Q. I saw you warming up with the driver and hit it earlier in the day. How much did you hit driver today?

JEENO THITIKUL: I have no idea. I have no idea. I pretty much hitting the driver a lot because I love hitting driver anyway. Also waiting for time to go to the tee as well, because I'm going to the tee right after I finish on the range.

But it's pretty good. It's better.

Q. Did you hit it more today than the first two days?

JEENO THITIKUL: I don't think so. I think it's all pretty much the same.

Q. Heading into tomorrow, just what's it going to take to put yourself on top and claim your second victory of

the season?

JEENO THITIKUL: I think it's going to be another challenging day for sure. As you can see the course and as you can see all the score, everyone can go low and then the course is makable.

And then if you really want to win, so you had to make birdies.
