Quick Quotes

Q. All right, here with Esther Henseleit after her second round at the JM Eagle LA Championship.

What would you say the difference was today between your round today and yesterday? I know you shot probably the same score both days, right?

ESTHER HENSELEIT: Yeah it was the same score. Just afternoon was definitely more windy than yesterday. Probably a bit harder.

But, yeah, I was hitting my irons really solid. My putting has been really solid as well. So, yeah just two good days.

Q. How important is the putting this week? We were talking about the greens being a little tricky.

ESTHER HENSELEIT: Yeah, I mean, it's probably the deciding factor on this golf course. Just need to get your speed right with every putt or you can have some really tricky putts coming back.

So, yeah, just keep an eye on your speed and hopefully make most the short ones.

Q. Seems your game has been in a good place lately. Do you feel like that and what is going well in your game right now?

ESTHER HENSELEIT: Everything is pretty good to be honest. The last two days probably weren't my strongest driving days, but my irons have been really solid. Last week as well and this week. And, yeah, the putting is definitely better than it was beginning of the season. So it's great to see that improvement.

Q. Have you played here before?

ESTHER HENSELEIT: Yeah.

Q. What is your opinion of this golf course and how does it maybe suit your game?

ESTHER HENSELEIT: I really like it. I think it's just very tricky. You really have to keep your ball in play. Hit many

fairways, many greens. I've not played great here yet so it's great to see some good scores on this course. Yeah, I really enjoy it.

Q. What are some of the keys for tomorrow do you think?

ESTHER HENSELEIT: Yeah, just stay patient, hit greens and be patient on the greens and just concentrate on myself.
