Quick Quotes

Q. All right, Haeran, we just said it, but four days here at Wilshire. How are you feeling after this final round at Wilshire?

HAERAN RYU: So long. (Laughing.) But after media Megan said to me it's easy peasy, but it's so hard for me this week.

So, but on the last hole I had a birdie and I finish in the Top 3 and I very so exciting.

Yeah, it's very good.

Q. Walk me through what was going through your head on that 18th.

HAERAN RYU: Just I think trust me. Everything is trust me. Because that distance a 120 meters and the wind is left-right and almost a 9 club.

But last year I'm hit it left side and so tricky chipping next to the green and I made a par.

But I remember that and it's a little awkward for me, but I hit the tee shot today, I just think about trust me, trust me. Everything is trust me, yeah.

Q. How comfortable do you feel in your game and what have you been working on to get to this point?

HAERAN RYU: Everything. (Laughter.) Always I'm miss short putt and always not good finish at the green, but these days I'm work hard for my putter and my chipping next to green, and everything is much better than last year.

And, yeah, that is a good thing.

Q. When will we see you next?

HAERAN RYU: Founders Cup.

Q. What do you do in the off weeks?

HAERAN RYU: Just rest. Yeah, my manager teach me some good words for English, that is couch potatoes.

Q. No better way to describe it. Great job, Haeran.

HAERAN RYU: Thank you.
