Quick Quotes

Q. All right joining us after the final round the JM Eagle LA Championship is Jin Hee Im. Jin Hee, hard-fought out there. Can you just reflect on the week?

JIN HEE IM: I just really enjoy this week. I really happy to playing like mostly at the time my ball going really thinking what I'm -- really go what I'm thinking, and then, yeah, I'm really enjoyed it.

Q. You were playing in a playoff obviously against Hannah and Sei Young. What was going through your mind during that? And then how does this set you up to handle The Chevron Championship next week?

JIN HEE IM: Well, I got the trophy all the time I never playoff. Especially with Somi. That is first time with Somi at playoff. I just thinking if that trophy is mine I can get that. If it is not, that's it.

And then just trying to competent swing but I just miss it. Really sad.

Q. Obviously not the position that anybody wants to be in, but after you finished you were still out there signing autographs, feeling the support of the fans. What does that mean to you off the course?

JIN HEE IM: I mean, thank for coming to cheering us. And then if I not really mad I probably like something take the picture or autograph, really like that.

And then I want to say thank you for coming.

Q. I want to ask about the second shot in the last playoff hole. That was an unbelievable shot. How did you do that? How difficult was that?

JIN HEE IM: I want to try little high draw but it's just going high and then straight, little miss it, but still can make the par.

But, yeah, I like sometime -- sometime I like it aggressive line.

Q. Under pressure you had a heck of a swing.

JIN HEE IM: I don't have chance at that time.

Q. Yeah. Well you made it close.

JIN HEE IM: Yeah.

Q. Congratulations.

JIN HEE IM: Thank you.

Q. The two putts you made coming in, 16 and 17, two big putts, long putts. What did you see on 16? How confident were you about that putt? And then great par-saving putt on 17 that got you into the playoff essentially.

JIN HEE IM: Yeah, 16 is really perfectly go where I'm thinking so really surprise, like this. I think 17 little lucky because I just really like it's go right to left, left to right, right to left, left to right, I just pick one thing and made it.

Q. When you make a couple of long putts like that and one like you said that was kind of lucky, do you start to think, well, maybe it's my day? Maybe I'm supposed to win?

JIN HEE IM: A little bit. (Laughter.) That's true.
