## Jennifer Kupcho

### Quick Quotes

**Q. All right, overall pretty successful first round. How do you feel you played today?**

JENNIFER KUPCHO: Yeah, I mean, I think I played really well. I think the course is playing a little harder this afternoon. So, yeah, I mean, I played really well, hit the ball well.

Overall pretty good.

**Q. Any stand-out moments for you out there?**

JENNIFER KUPCHO: Not really. Really just played pretty consistent and just stayed patient, waited for the putts to fall.

So just proud of myself for finally getting them to fall at the back nine, so...

**Q. You said the course was playing harder this afternoon. What made it harder?**

JENNIFER KUPCHO: I think the wind. Maybe it dried out a little bit this afternoon. I think mostly the wind though.

I think the rain tomorrow will make it hard though for everybody, so it'll be interesting to see how it goes.

**Q. Do you play a round today thinking at all what tomorrow could bring? Could be gross.**

JENNIFER KUPCHO: Yeah, I mean, we may or may not play, so I think really just staying in the moment, staying in today, and just taking each shot at a time was really important.

**Q. Do you feed at all off Esther playing well alongside you?**

JENNIFER KUPCHO: Yeah, I think it's good to see someone else playing well, some else hitting putts as well. Gives you a little bit of confidence that the hole is actually there.

So, yeah, I think we definitely fed off each other a little bit.

**Q. Had a good week last week at Black Desert. How are you feeling as we're kind of ending this first string of the start of the season?**

JENNIFER KUPCHO: Yeah, I mean, I'm a little bit tired I think, but after missing the first two cuts of this four-week stretch, really just proud of myself for coming back last week and really looking like I was going to miss it in the second round, early in the second round and turned it around.

Yeah, nice to make that cut and kind of carry that momentum into this week.
