## Kelly Tan

### Quick Quotes

**Q. Okay, here with Kelly Tan after round four of the Maybank Championship. Talk us through your round. Shaky start but good finish.**

KELLY TAN: Yeah, I think I just tried to push it too hard today. Rough start and just really was trying to climb back. You know, couldn't really catch any momentum; didn't give myself many looks, so kind of scrambling day.

**Q. Any highlights from the round? Birdie on 17? Maybe thoughts on that?**

KELLY TAN: Yeah, I actually hit a really good drive and actually hit my pitch just right of the hole location and make a big I think it was 25-footer putt, so that was nice.

**Q. Good to be back playing on the LPGA Tour?**

KELLY TAN: Yeah, so it's only -- you know, Malaysian fans are awesome and they're always cheering for us.

Yeah, I was really trying to do my best, and hopefully they had something to cheer for.

**Q. So what worked and what didn't work?**

KELLY TAN: Yeah, today just seems that my drive was a little off and I was hitting a little bit off the toe, so had a couple left misses.

The West Course rough was kind of unpredictable kind of. Had to judge the release, and few times I thought I hit it really good but I was 40 feet by. Just didn't really have a closer look and felt like I was just trying to lag it up close with the longer putts and couldn't really be aggressive.

**Q. Where will you be playing after that?**

KELLY TAN: It's going to be a little bit of offseason for me coming up. Going to just talk to my team about a little bit of strategy next year. I still have my class A veteran on the LPGA Tour. That will probably get me three to four events in the year. Early in the year I will probably try to Monday

in. If you Monday in, I kind of will got my full status back anyway.

So it kind of really is in between. Going to be juggling between LPGA and Epson in the beginning of the year and see how that goes.

**Q. (Indiscernible.)**

KELLY TAN: Yes. I'm going to -- I have a sponsor day tomorrow here and going to spend a couple days in KL, see some friends. I don't fly out until the 10th, so, yeah, I can get a nice week with the family after this, which is nice.
