## Genevieve Ling

### Quick Quotes

#### Q. So Gen, pretty rough start but strong finish.

GENEVIEVE LING: Yes. Yeah, made -- actually didn't really hit a bad shot, but just got into a really bad spot on 13 and made a double there.

Then I mean, kind of just paced myself and knew that there was a lot of holes left to play and you have to play one shot at a time.

#### Q. Tough finish.

GENEVIEVE LING: Yeah, actually missed one on 9 as well. Yeah, I started hitting the ball a lot better towards the back. Jeremiah and I worked some things out yesterday with setup. As for most of us it's usually something simple.

Yeah, started getting a better feel and made some birdies.

#### Q. What are your main take backs from this week?

GENEVIEVE LING: Just that I think my short game is definitely there. Ball striking, unfortunately that wasn't great, which is unfortunate because I think it would've been really nice to attack some of those pins if I was confident enough to hit those shots, but I wasn't, especially the second and third day.

So, yeah.

#### Q. And I understand you've been working on your distance.

GENEVIEVE LING: Yeah, my ball striking was not good, so it didn't really come to my advantage this week. But definitely worked on my scrambling as well and that helped me a lot this week.

#### Q. Where will you take off to after this?

GENEVIEVE LING: I'm going to Taiwan tomorrow for another tournament, yeah.

#### Q. What event is that?

GENEVIEVE LING: The Ladies Open.

#### Q. On the China...

GENEVIEVE LING: Yeah.

#### Q. (Indiscernible.)

GENEVIEVE LING: Yes, this year a lot of Taiwan LPGA events, tournaments, there are actually getting really good. They have got quite big purses as well, so good competition and I've grown quite a lot playing there.

#### Q. Have you given thought to next year, your plans?

GENEVIEVE LING: I'm going to LPGA school end of the year, so hopefully back to Europe next year.

#### Q. What do you think is the biggest thing you learned from this competition?

GENEVIEVE LING: I think I said this yesterday, but I actually I love playing in front of crowds. I never knew if I did or not. Obviously I hoped that I did, but I love putting on a bit of a show. Like I think I always do pretty well on 18 and like 14. I kind of enjoy doing that, which is nice to know, especially for this profession.

#### Q. I see your dad here today. Did he say anything after you finished your round today after?

GENEVIEVE LING: My parents are super chill. Just proud of you. Good job.

#### Q. I think I saw you on the 28th hole and you did a birdie there.

GENEVIEVE LING: Yeah.

#### Q. It was quite a show for you with all the crowd cheering.

GENEVIEVE LING: I did that as well on one of the other days. I don't know, I really like doing things like that. So

my caddie actually was like, every time we got into a bad spot, you like to show off? Let's show off. We got some good up and downs and stuff like that. It was cool.

**Q. So maybe how can you sum up your performance?**

GENEVIEVE LING: Obviously I wish the scoring was better, especially the second and third day. I feel like I lost my swing a little bit out there, but I'm proud of myself for sticking to it. I think there were some time where the ball striking was really out, like really out, but I really just stayed patient and trusted myself and went through the whole process.

**Q. Maybe something you learned?**

GENEVIEVE LING: That I learned? I think just keep doing what I been doing and grow from it.
