Quick Quotes

Q. Here with Yan after her final round here at the Maybank Championship. Good effort on Sunday. Take us through the week. What will you take away from it?

YAN LIU: First, before this week start I think my goal is getting to the CME. I think I do pretty good. You know, always have little not good (indiscernible) because I'm so close to the -- to playoff.

Yeah, so -- well, overall good week for I think more confidence coming from my everything. Yeah, and my mental and my game. I think it's more confidence for next couple week.

Q. What will you take away specifically from this week into the next couple weeks?

YAN LIU: Well, this is my four in a row so I'm going to have three more tournaments, so I think I need a good rest. That's first thing. I think this week I will say my driver is pretty good and my distance control is very good, so I'm going to keep that for next week.
