Q. Okay, Yu, take us through your round today. What were some of the best birdies out there. You had eight overall.

YU LIU: I would say definitely the first hole. With the fog delay this morning my body felt pretty stiff, like I am not really comfortable standing over my shots today, but thankfully that first hole I was putting from behind the green and made like a 25-footer and really set the tone for me.

Q. What's the key to making a lot of birdies on this course?

YU LIU: Definitely putting. You got to be able to read your putts well and make a lot of putts.

Q. 6-under overall and just a couple strokes back of the lead. How happy are you with the result today?

YU LIU: Yeah, it was a nice bounceback from the second round. I know I had a good first round, but the second round I wasn't able to get anything going, so it took me some time to figure out how I'm able to tackle with today, and all that it worked out.

Q. I have seen your face around the course. Tell us about the big signs I see with Yu Liu's face on them.

YU LIU: I guess I have couple friends from China so they were really kind to be able to come out and support me today. I hope they come back tomorrow because I feel like they brought me good vibes.
