### Quick Quotes

**Q. All right, Jasmine, another really successful week here in Japan. What are your thoughts after four rounds of the TOTO Japan Classic?**

JASMINE SUWANNAPURA: I like everything in Japan so far. (Smiling.)

It's been fun to play with a lot of Japanese girl here. They are very nice. They play fast.

After good finish last week I didn't really think that we going to have another good week this week because, you know, the weather difference is so much different from this week and last week, and we know if we working really hard last week and we got really tired.

So to recover fast and play decent this week has been pretty good.

**Q. I know a big goal for you has been getting into CME, in the top 60. Obviously this will give you a good boost up there. How happy are you with those results?**

JASMINE SUWANNAPURA: I'm very happy. That's my goal since the middle of the year. Been playing better and better every week, so I see the result is getting better and it's getting more positive.

You know, I'm very happy with my game right now, so it's just having fun out here.

**Q. Are you playing in Pelican next week?**

JASMINE SUWANNAPURA: Yes.

**Q. What's the game plan to have another good week after whatever, three weeks in a row, right? That will be your third week?**

JASMINE SUWANNAPURA: No. I've been playing all of them. I've been playing all the tournament this year. I didn't really take any breaks because I'm trying to climb up

on the CME point.

We'll fly and get there Monday afternoon, so I probably not do anything on Monday at all. Get to play nine holes on Tuesday and pro-am on Wednesday, so take it easy since we know the course. I know a couple of the members there, Charlie and Karen, so it'll be fun to see. My neighbors going to come there, my aunt going to be there, so it'll be fun week.
